About Us

ABOUT US

AQMOND Global Investment Ltd is a global supplier and service provider of EPCIM solutions, tailor-made for the Power and Energy, Construction, and Real-Estate sectors in Africa. Our scale, scope, and knowledge allow us to address problems that no one else can.

We work with leading organizations, businesses, governments, and institutions across the private, public, and social sectors to deliver best-in-class industry expertise with precision.

We are passionate about taking on immense challenges that matter to our clients, offering practical recommendations and bringing out their capabilities to fully participate in the process and lead the ongoing work.

AQMOND stays ahead of industry trends by working with only the highest quality standards possible and utilizing clean and affordable technologies in line with international best practices.

Let me know if you'd like this condensed, reworded, or tailored further!

OUR MISSION

To create, sustain, and renew the lifecycle of our comprehensive technical, environmental, and economic solutions for greater impact.

OUR VISION

To be the one-stop shop for clean, renewable, and sustainable solutions across the breadth of our geographical reach.

Our Core Values

These values shape our company culture and form the foundation of our identity across the globe.

1 Safety

We treat safety as the most important element and the commonality behind every choice and action for our people, clients, and communities.

At AQMOND, we take full responsibility for our decisions, actions, and outcomes with passion and a keen commitment to delivering the best results every time.

2 Accountability

3 Integrity

Integrity is at the core of what we do—taking initiative, negotiating honestly, and staying aligned with our values.

We strive to improve our products, services, and processes constantly, staying ahead of developments in the ever-changing marketplace.

4 Innovation

5 Excellence

We focus on achieving the highest possible standards of performance and quality in all areas of our work, prioritizing doing the right thing consistently.

At Aqmond, our team of skilled professionals is always ready to deliver excellence in every task. From NDT testing to complex installations, our experts demonstrate unwavering commitment, precision, and attention to detail. These moments captured in the field reflect our dedication to maintaining the highest industry standards while ensuring client satisfaction at every stage of the process.

HSE POLICY

AQMOND Global Investment Ltd is fully committed to being a good employer, maintaining health and safety at work, and protecting public health and the environment as much as possible..

We prioritize health, safety, and well-being at work and have implemented appropriate health and safety management measures that exceed client, regulatory, and internal standards. Our HSE vision is to fully integrate Health, Safety, and Environment into our business, reinforcing our core values of Safety, Accountability, Integrity, Innovation, and Excellence, resulting in a workplace free of incidents

AQMOND Will:

- Maintain a strong, integrated HSE Management System to identify and manage risks.
- Integrate HSE into business objectives.
- Accept accountability to provide every employee and contractor with a safe and healthy workplace.
- Follow industry-specific safety regulations and standards.
- Respond promptly, responsibly, and effectively to emergencies and contribute positively to environmental protection.
- Focus on continual improvement of HSE practices.

At AQMOND, the protection of health, safety, and the environment plays an integral role in our planning and execution. This is a corporate social responsibility embraced by everyone working for and with AQMOND.

Quality Assurance

AQMOND Global Investment Ltd is unwavering in its commitment to never compromise on the safety, compliance, and high standards of its products and services. These are the hallmarks of AQMOND's operations, ensuring we deliver superior, compliant, and preferred solutions for the benefit of our customers, community, and brand.

Our Quality Management System policy and procedures are developed in line with the ISO 9001:2015 standard, ensuring systematic efforts to meet contractual and agreed-upon performance, design, reliability, and maintainability expectations.

Ultimately, AQMOND is committed to providing confidence that quality requirements will be fulfilled, avoiding problems and delays when delivering products or services to customers.

Local Content Support

As an indigenous company, AQMOND Global Investment Ltd is dedicated to contributing to Nigeria's economy and industrial capabilities. We are committed to maximizing the participation of the nation's local assets in our operations.

At every stage of all our services, we will ensure to comply and meet up to the Industry Content Development Act of 2010.

Aqmond will at all points comply with government policies without compromising its dedication to price, quality, and delivery operation parameters.

Our company is committed to retaining the cordial relationship we have built with all government authorities and Nigerian Content Development and Monitoring Board.
